Early Life and Career

Justin Bieber was born on March 1, 1994, in London, Ontario, Canada. He began playing music at a young age and learned to play the drums, guitar, and piano. In 2007, Bieber's mother began posting videos of him singing on YouTube. These videos quickly gained popularity, and Bieber was soon signed to a record deal by Usher.

Bieber's debut album, *My World*, was released in 2010 and was a commercial success. The album's lead single, "Baby," became a worldwide

hit and made Bieber a global superstar. Bieber's follow-up album, *My World 2.0*, was released in 2010 and was also a commercial success. The album's lead single, "Boyfriend," became another worldwide hit.

Bieber Fever

In the early 2010s, Bieber was the subject of intense media attention and became a global phenomenon. His fans, known as Beliebers, were known for their passionate devotion and often camped out for days to see him in concert. Bieber's popularity was also fueled by his social media presence, and he became one of the most followed people on Twitter and Instagram.

Bieber's fame and popularity also led to some controversy. He was criticized for his behavior, including his use of drugs and alcohol, and for his relationships with other celebrities. In 2014, Bieber was arrested for drag racing and driving under the influence of alcohol and marijuana.

Later Career

In the late 2010s, Bieber's music began to mature and he experimented with different genres. His 2015 album, *Purpose*, was a critical and commercial success. The album's lead single, "Sorry," became a worldwide hit and was Bieber's first number-one single in the United States. Bieber's follow-up album, *Changes*, was released in 2020 and was also a commercial success. The album's lead single, "Yummy," became Bieber's second number-one single in the United States.

Bieber has also continued to act in films and television shows. He has appeared in the films *Never Say Never* (2011), *Believe* (2013), and *Zoolander 2* (2016). He has also appeared in the television shows *Saturday Night Live* (2013), *Punk'd* (2015), and *Carpool Karaoke* (2016).

Personal Life

Bieber has been in a relationship with model Hailey Baldwin since 2018. The couple married in 2019.

Legacy

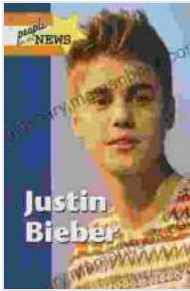

Justin Bieber is one of the most successful and influential music artists of all time. He has sold over 150 million records worldwide and has won numerous awards. Bieber's music has influenced a generation of young people and he has become a global icon.
