Lilah was born on January 1, 2004, in Houston, Texas. She was the youngest of three children. Her parents, Tracey and Carl Love, were both hard-working and loving parents. Lilah was a happy and energetic child who loved to play with her siblings and friends.

On April 22, 2013, Lilah went missing from her home in the Acres Homes neighborhood of Houston. Her parents immediately called the police, and a massive search was launched. Lilah's body was found two days later in a vacant lot near her home. She had been strangled to death.
