About the Author

Maddie Please is the author of the bestselling novels *How to Date a Douchebag* and *The Ex-Girlfriend's Guide to Surviving a Breakup*. Her books have been translated into over 20 languages and have sold over 1 million copies worldwide. Maddie lives in Los Angeles with her husband and two children.

Excerpt from *The Laugh Out Loud Feel Good Adventure*

The four friends were sitting around a campfire, laughing and telling stories. The night was clear and the stars were out. It was the perfect night for a road trip.

"So, where should we go?" asked Maddie.

"I don't know," said Sarah. "Wherever we want."

"I'm up for anything," said Emily.

"Me too," said Lily.

The four friends looked at each other and smiled. They had no idea where they were going, but they were excited to find out.

The next morning, the friends packed up their car and hit the open road. They drove for hours, singing along to the radio and talking about everything that came to mind.

As they drove, they passed through small towns and big cities. They saw mountains and valleys, rivers and lakes. They met all sorts of interesting people along the way, and they had a lot of fun.

But the best part of the trip was the time they spent together. They laughed and cried, they supported each other through thick and thin, and they grew closer than they ever had before.

By the end of the trip, the four friends were like family. They had shared so many amazing experiences together, and they had learned so much about themselves.

The Laugh Out Loud Feel Good Adventure is a story about friendship, love, and laughter. It's a story that will make you laugh out loud and leave you feeling good all over.

Reviews

"The Laugh Out Loud Feel Good Adventure is a laugh-out-loud funny and heartwarming story about friendship, love, and laughter. Maddie Please has a gift for creating characters that are both relatable and hilarious, and her latest novel is no exception. I highly recommend this book to anyone who is looking for a good laugh." - *New York Times*
